

OPEN DAY PROGRAMME

Saturday 22 February 2025

9.30am – 3pm

**MAKE YOUR
FUTURE AT
MIDDLESEX**

WELCOME

Shân Wareing
Vice-Chancellor

At Middlesex, we'll support you to grow further than you thought possible. Today is your chance to begin that journey with us.

Situated in North London, we pride ourselves on the facilities we offer, and the excellent quality education we deliver. As a student at Middlesex University, your transformative journey will enable you to develop personally and professionally so that you graduate with a range of career-ready skills.

Our courses are designed to include real world learning like placements, live projects and practical experiences to ensure that you're prepared for your future workplace. Our graduates have gone on to work for some of the biggest names like Google, ASOS, the NHS and Deloitte.

We offer a range of guidance and one-to-one help in relation to mental health and wellbeing, disability, academic development, financial support as well as career advice – and so much more. Our support teams partner with you to enable you to succeed through every step, tailoring support to meet your needs and your goals.

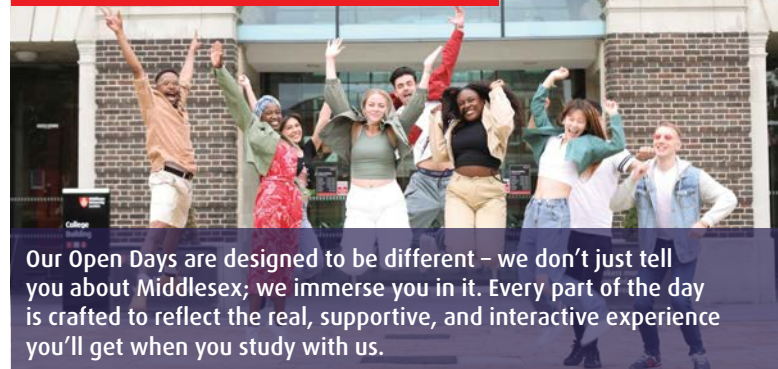

I'm proud that we are rated in the Top 10 university in the UK for how positively our undergraduate students feel about studying their course here*. I believe that's what matters most – and I hope that you will love studying with us too.

Enjoy your day with us!!

AN OPEN DAY LIKE NO OTHER

Our Open Days are designed to be different – we don't just tell you about Middlesex; we immerse you in it. Every part of the day is crafted to reflect the real, supportive, and interactive experience you'll get when you study with us.

Get involved with hands-on sessions

A course talk at our Open Day is much more – each subject session has an interactive, experiential element to help you truly explore what you'll be studying. Think of it as a taste of your future with us.

Tour facilities that bring your studies to life

Our facilities aren't just impressive; they're purpose-built for learning by doing. If your course has specialist spaces, you'll get to see them up close, just like our students do.

Meet Middlesex through our ambassadors

Chat with real students in our Faculty Lounges, where they'll share genuine insights and answer your questions – no fluff, just real experiences from people who've been where you are.

Enjoy an inclusive day out, on us

From a complimentary drink's voucher to free sausage rolls, we've made sure there's something for everyone to feel welcome and enjoy the day. Inclusivity is a core part of who we are, and it starts the moment you arrive.

Free and easy parking

Don't worry about the hassle of parking fees – our campus is open to you with free parking for all visitors.

Exclusive gym membership for future students

Sign up at the Open Day and go on to enrol, and you'll unlock free gym membership – just one of the ways we support our students beyond the classroom.

Make it your own

Throughout this guide you'll find ways to make your Open Day personalised to you, and space to reflect on your experience on campus with us.

WHAT OUR STUDENTS SAY

Our students are the best people to tell you what they think makes MDX the right choice of uni. This is what they had to say*:

STUDENTS GROW FURTHER

"I feel grateful for the immense support and help that I have received from my lecturers. They have been there for me every step of the way, and have been an incredible source of motivation and encouragement. Their guidance and feedback have been invaluable, and I feel that I have grown both personally and academically because of their assistance."

Law & Social Sciences

"Because of extremely well-prepared facilities and brilliant guidance of my lecturers I became fluent in an area I never dreamed of working in. I can see how much I've grown up in just a few years – both as a human being and as an artist. I can't describe how grateful I am for the education I received."

School of Arts

SUPPORT AS A PARTNERSHIP

"Having a personal tutor has really helped my experience, they were brilliant and always so supportive. With the course being 50% placement, they were extremely helpful getting me ready for the job outside of university."

Nursing and Midwifery

"The staff always make me feel safe and I can go to them for anything. They have been very patient and are very quick to provide additional resources when asked, and if it is not within their capacity to help me, they are quick to direct me to another lecturer or technician that is eager to help."

School of Arts

TRULY INCLUSIVE EXPERIENCE

"The diverse student body creates a dynamic and inclusive atmosphere, making it a great place to study and grow. My experience at Middlesex has been incredibly positive and rewarding."

Computer Science

"Middlesex is a great place to study. It is very warm, welcoming, diverse and rich in culture which gives you a feeling that you are a part of something where you can be authentic."

Nursing and Midwifery

OUTSTANDING NORTH LONDON CAMPUS

"The University offers well-equipped labs and simulation facilities for student nurses that allow us to gain hands-on experience before entering the clinical setting. The Faculty is knowledgeable and experienced, providing valuable guidance and mentorship to aspiring nurses."

Nursing and Midwifery

"The University provides a lot of sports such as football or karate and has a lot of places to eat and drink. The campus is big and beautiful which helps when taking a break to walk around with friends."

Law and Social Sciences

"Whether it's film, textiles or printing, the facilities have pushed my art to outcomes I never could've imagined!"

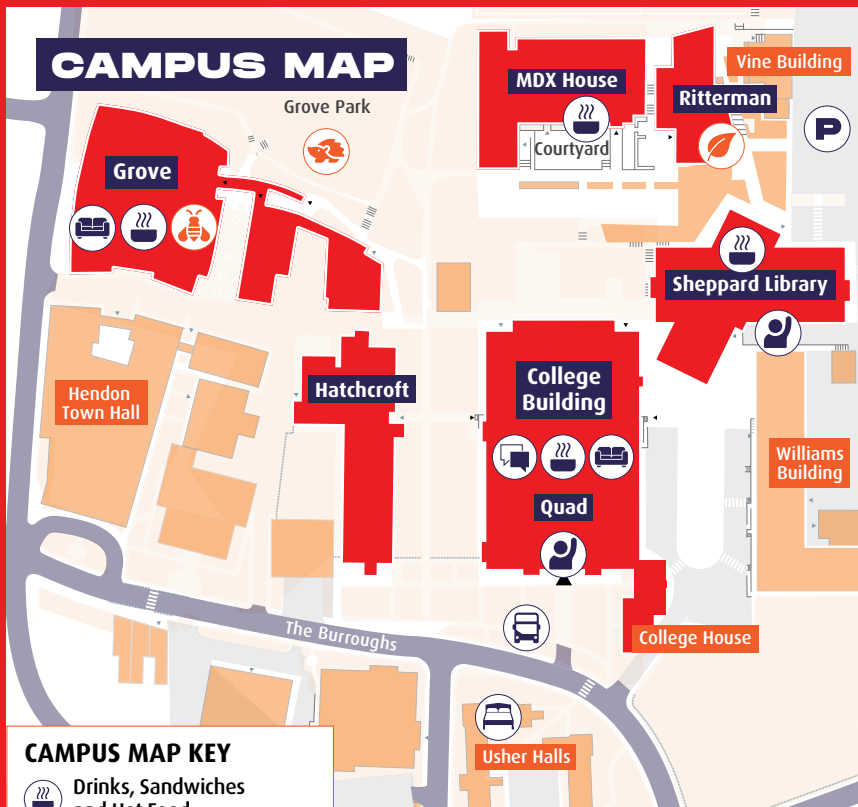

School of Design

"The facilities available to my course are up-to-date industry standard, which has helped me get a job in industry, as I am familiar with the software."
